About StudentAid BC

StudentAid BC supports over 80,000 university and college students each year with **grants, loans & other financial assistance programs.**

About StudentAid BC

Grants = Money you do not have to pay back.

Loans =

- Money you will have to repay.
- Payment-free while you are in school full-time.
- Provincial and federal loans are interest-free.

Other financial assistance = specific supports for:

- Low- and middle-income students.
- Students who have a permanent disability, or a persistent or prolonged disability.
- Current or former youth in care.
- Borrowers who need help with repayment.

How to apply

2 Steps to Apply:

How much funding you can receive

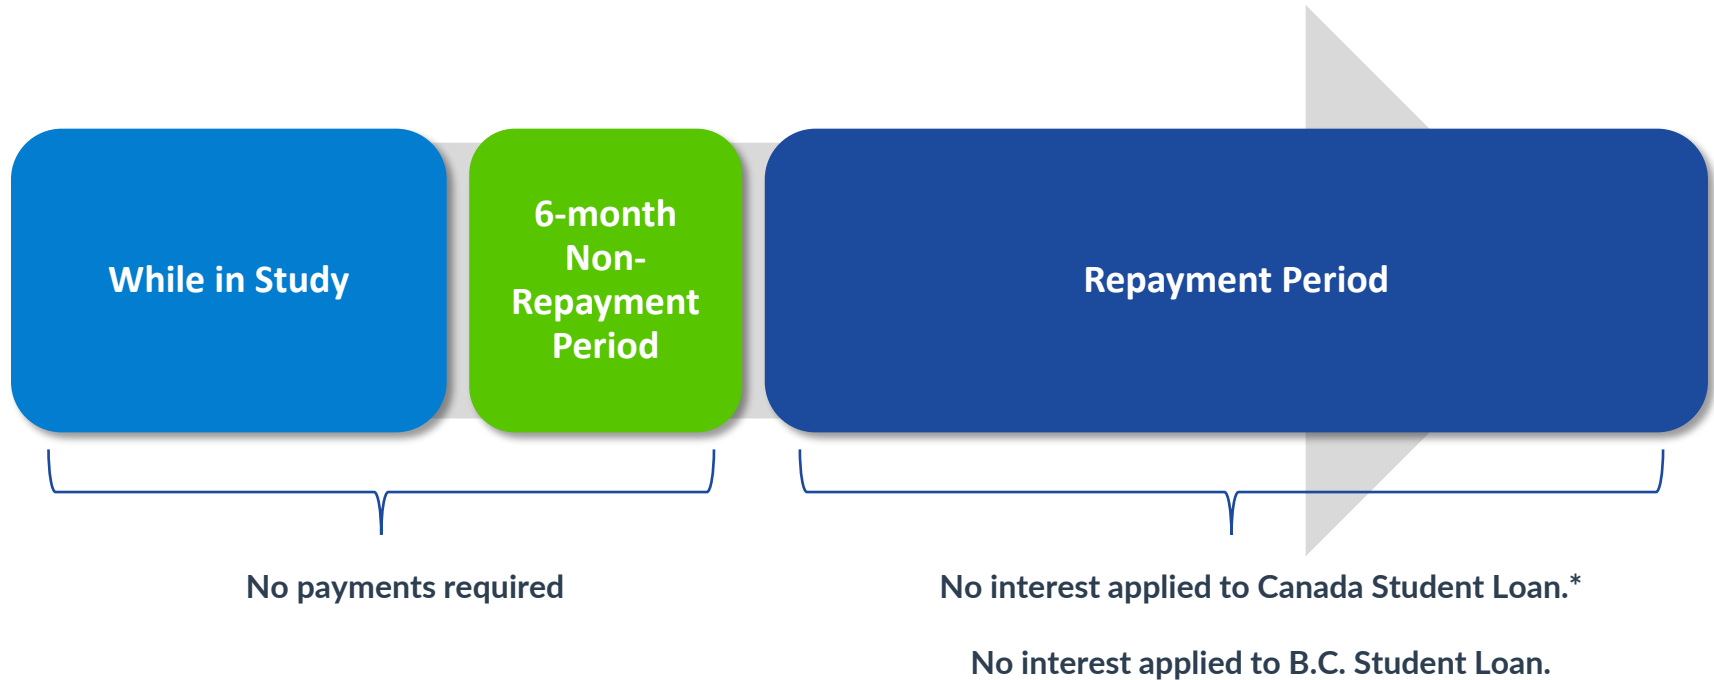

StudentAid BC determines how much funding you can receive by comparing your education and living costs (tuition, books, rent, etc.) and your available financial resources (individual and family income, savings, scholarships, etc.).

The amount of funding you receive depends on your individual and family financial situation.

StudentAid BC funding may not cover the full cost of your education or training.

Repaying your loans

Repayment timeline

*As of April 1, 2023, the accrual of interest on Canada Student Loans has been permanently eliminated. Borrowers continue to be responsible to pay any interest that may have accrued prior to April 1, 2023.
